FRASER VALLEY SCHOLARSHIP FOUNDATION

PURPOSE

Our purpose is to make available to all high school and post-secondary students in the Fraser Valley one or more scholarships annually. The scholarship program is intended to recognize the academic achievements to high school and post-secondary students and to assist in providing an opportunity for these students to continue their studies.

ELIGIBILITY

Scholarships: Applicants must have achieved a minimum academic standing of 3.5 and must be members of a Canadian or American Reformed Church.

Bursaries: Students requiring financial assistance to pursue or continue post-secondary education and who are members of a Canadian or American Reformed Church may apply.

THE BASIS ON WHICH AWARDS ARE MADE

It is our conviction that students who show potential for outstanding achievement in advanced education should be recognized. Many qualities will be considered in deciding who the awards will be made to, but of prime importance are qualities related to leadership, character, and scholastic achievement.
